RE: Application Number: 10/595,006
Attorney Docket Number: HRCM.P005-USNP

Dear Mr. Doll:

We need your help in getting Application 10/595,006 taken "out of order" for examination.

This application is a 371 of PCT/IB2005/051132 filed on April 6, 2004. We received a favorable International Search Report for the PCT application for all 53 claims.

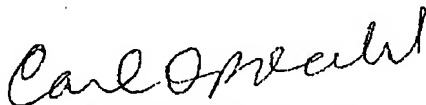

Under 37 CFR § 496 (b):

National stage applications having paid the search fee as set forth in 1.492(b)(1) and the examination fee as set forth in 1.492 (c)(1) may be amended subsequent to the date of entry into the national stage only to the extent necessary to eliminate objections as to form or to cancel rejected claims. Such national stage applications will be advanced out of turn for examination.

Pursuant to the last sentence of the section 496(b) it is required that the above-referenced application be advanced out of turn for examination.

We would be most grateful for getting the above-mentioned application taken out of order for examination.

Very truly yours,
